

Session Program

20–25 Sept 2026

Brightcon 2026, hackathon and courses

W1 - Open data, shared foundations

Aalborg University & Online

Wednesday 23 September

10:15

W1 - Open data, shared foundations

Session | Location: Aalborg University & Online, AAU Innovation

10:15–10:30 From LCA Database to AI-Enabled LCA Infrastructure

Speaker

Jianchuan Qi

10:30–10:50

Connecting national EPD databases to the Brightway ecosystem: a worked example with lcpy and NZGBC

Speaker

Ehsan Anvari

10:50–11:10

naKnow: a collaborative initiative to bridge data gaps in ICT life cycle assessment using parametric modelling

Speakers

Dr Thibault Simon, Dr Marie Reinbigler, Arthur Removille, Dr Anish Koyamparambath

11:10–11:25 Open-access database to integrate microplastic emissions into LCA analysis

Speaker

Marieke Brouwer

11:25–11:35 Discussion & getting engaged: 5 min with neighbour, 5 min plenum/presenters

11:35–11:55 TRAILS: Deeply Temporalised Life Cycle Assessment with Climate Emulator Coupling

Speaker

Romain Sacchi

11:55–12:00 Wrap up

12:00
